# **Novo**Touch

NovoTouch is a powerful team collaboration solution that's ideal for conference rooms, meeting areas and corporate lobbies. Equipped with Vivitek's NovoConnect Solution, a BYOD collaboration system, NovoTouch offers an advanced

approach to group work in an all-in-one display. Featuring digital annotation and wireless capabilities, NovoTouch seamlessly connects users to one display, using technology that allows ideas to flow naturally.

- Ultra HD 4K (3,840 x 2,160) resolution for outstanding details and stunning visuals
- Complete range of display sizes including 98", 86", 75" and 65"
- LED backlit technology for brighter picture, longer life and lower energy cost
- High contrast ratio and fast response time delivering crisp, readable content

An anti-glare surface improves the screen visibility in high ambient light environments and a 4mm thick toughened glass provides added protection against screen damage

# Touch + Pro

Connect up to 64 users and display up to four screens, simultaneously, on a large format display

Built-in whiteboard and touch panel capabilities

On-screen annotation, mark-up and wireless distribution

Native screen mirroring via AirPlay and **Google Cast** 

### A new way to engage and interact with big data visualization

Dual network support for separate or parallel wired and wireless connections for ultra secure networks

Optional Accessory: LauncherPlus, a USB device that provides tactile operation without installing the software

Reduces clutter and promotes a cable-free workplace with Wi-Fi connection and wireless file sharing

## Transform your conference room into a true collaborative space

The easy and affordable collaboration solution, NovoTouch creates an interactive environment for a fluid exchange of ideas. Features include:

#### ENGAGE

Users can manipulate content with up to 20-points of touch, common gesture interactivity and on-screen annotation

### INSPIRE

Think differently during group work with side-byside collaboration on one large display

#### TEAMWORK

Up to 64 devices can connect, and four members can share content on the display, for a fluid exchange of ideas

#### CREATE

Interact with content directly on the display to take notes or emphasize things in real time

#### **COLLABORATE**

Effortlessly integrate content into discussions to share ideas. increase productivity and drive innovation
