

# AVerCharge C20i

## 20 Device Intelligent Charging Cart

- Customizable charging cart
- Easy cable management
- Intelligent charging
- Compact footprint
- Adjustable and spacious slots
- 10-year mechanical and 5-year electrical warranty included
- Onsite service and repair

### Built for 20 devices

Charge up to 20 Chromebooks, laptops, or tablets up to a 16" screen.

### Intelligent Charging

C20i determines the best charging sequence with no programming required. Devices are efficiently charged and protected from any circuit overload.

### Adjustable slots

Customizable dividers make placing and pulling devices easy, comfortable, and safe. C20i allows flexible storage for classrooms managing mixed or large devices.

### Sleek and compact

C20i's small footprint provides easy storage for any classroom size. At only 27" wide, the C20i footprint leaves more learning space while managing your 1-to-1 devices.

### Extra-Large Slot Design

C20i's adjustable dividers give classrooms the ability to customize slot dimensions to fit their device needs up to 1.72" in width and 16.5" in depth.

### Revolutionary Cable Management

Experience simple device management with less slip-n-slide using C20i's cutting-edge cable technology to secure cords from slipping out of place.

## Specifications

<b>Device Capacity</b>	16 minimum to 20 max	<b>Slot Size</b>	H = 330 mm / 13" W = 43.75 mm / 1.72" (16 slots) W = 39.88 mm / 1.57" (18 slots) W = 36.15 mm / 1.42" (20 slots) D = 419 mm / 16.5"
<b>Support Device</b>	Tablet/Chromebook/ up to 16"	<b>Charging Type</b>	Intelligent Charging
<b>Sync Type</b>	N/A	<b>External Power Outlets</b>	2
<b>LED Indicator</b>	Status LED (x2): Solid Blue: Charging	<b>Sliding Shelves</b>	N/A
<b>Divider type</b>	Plastic divider /w secure latch	<b>Adjustable Dividers</b>	Yes
<b>Cart Dimension</b>	H = 1036mm / 40.8" W = 686mm / 27.09" D = 637mm / 25.20"	<b>Package Dimension</b>	H = 1215mm / 47" W = 766mm / 30.16" D = 736mm / 28.98"
<b>Net weight</b>	76kg (168lbs)	<b>Gross weight</b>	96kg (212lbs)
<b>Power Specification</b>	<b>AC IN:</b> 100-120V ~ 50/60Hz, 12A 200-240V ~ 50/60Hz, 8A <b>PWR Strip (x2) 20-Port Total</b> 100-120V ~ 50/60Hz, 8A 200-240V ~ 50/60Hz, 6A <b>Outlet 2-Port Total</b> 100-120V ~ 50/60Hz, 4A 200-240V ~ 50/60Hz, 2A	<b>Firmware Update</b>	External USB Type A
<b>Cable Management</b>	Individual AC adapter compartments and AVer Patent Cable Latch	<b>Security</b>	Front and back double doors: 3 point mechanism with key lock and padlock hole combo
<b>Casters</b>	5" rubberized casters x 4 2 among are lockable	<b>Security Hook</b>	Yes
<b>Fan</b>	N/A	<b>Warranty</b>	10 years mechanical components 5 years electrical components
