▶ Qumi Q6 – Bright and Wireless Performance

Q6

FOR WORK & FUN ALWAYS PREPARED

What should you expect from your Qumi Q6?

The Qumi Q6 is very easy & quick to set up. It will give you a cable-free experience when connecting your mobile Android & iOS devices using Wi-Fi, or using its 2.5 GB on-board memory.

Next to the embedded Wi-Fi capability, the projector is equipped with HDMI/MHL and embedded media and document viewer for PC-Free playback of documents, photos, videos and audio files. **And, it comes in 7 sleek colours!**

WXGA | 800 lumens | 30,000:1 contrast | 475 grams

Qumi Q6 – Bright and Wireless Performance

Bright picture thanks to 800 lumens brightness, with WXGA 1280x800 resolution and 30,000:1 contrast ratio

Business on the go is made possible thanks to its PC-Free Reader to preload media and document files to display without a computer at source

Enjoy the big screen: 90" diagonal

Its embedded Wi-Fi lets you easily connect and project without cable hassle.

▶ Qumi Q3 Plus – Wireless Projection with Power

Q3
PLUS

SUPERSIZE FUN & GAMES WITHOUT CONSTRAINTS!

Qumi Q3 Plus is a powerful bright pocket size projector with integrated battery, Wi-Fi and Bluetooth to make it easy for you to instantly switch on and enjoy a **2.6m/100" diagonal** screen anywhere you want.

720p | 500 lumens | embedded battery | 460 grams

▶ Qumi Q3 Plus – Wireless Projection with Power

Q3
PLUS

Turn any content from your mobile phone, tablet or game station into a large screen projection instantly with Qumi Q3 Plus. This super small projector is a natural extension to your tablet or phone.

Thanks to Bluetooth connectivity pair your Qumi with speakers for great audio performance or with a mouse for easy navigation through Android OS.

It's embedded Wi-Fi lets you easily connect and project without cable hassle.

Just switch it on, mirror your phone screen and truly enjoy video or pictures to share with friends or family!

What's more, thanks to the integrated battery, you won't be dependent on any energy source to project. Whether it's a garden party, a weekend backpack trip or simply the electricity point is out of reach – just unpack your Qumi Q3 Plus, turn it on and enjoy the show!
